

YOGA THERAPY OM AWAY FROM HOME

Maintain core strength, muscle tone and good energy levels whilst on vacation. These private sessions are appropriate for all levels - from the novice to the experienced practitioner. Breathe fully and reap the therapeutic benefits in sublime surrounds.

RESTORATIVE YOGA

A personalized session tailored to your body. Recommended for those who would like to address specific health issues or physical challenges. Concludes with sitting meditation to relax your mind.

CORE STRENGTH

Our core is the foundation for strength in our mind and body. This slow style of hatha yoga includes postures and movements focused on enhancing muscle tone, focus and balance.

DETOX YOGA

This practice consists of twists and postures to help squeeze out the toxins from your digestive and lymphatic system as well as improve circulation. Includes powerful and deep breathing exercises to oxygenate the blood and help clear away stress in mind and body.

FULL MOON YOGA

Experience inner peace during a magical full moon. Soothing music and slow restorative movements will take you on an inward journey of self-discovery.

KIDS YOGA

Kids love to learn and move. A great way to introduce young ones to the benefits of yoga. These classes are light and playful - just the way life is supposed to be!
